ICTTF Approved Sandpaper Bats and Covers for Classic Table Tennis World Cup

Only ICTTF-approved Sandpaper bats may be used at ICTTF World Cup and World Series Tournaments. Sandpaper bats may be approved as a unit, or may be a combination of an approved blade (see AAWB) and an approved cover, as specified below.

1. General:
 - a. All blades must be on the AAWB list.
 - b. Covers must be Sandpaper, with a grit, or grade, between 200 and 400. (“Grit” is measured by the number of particles per square inch; therefore, the higher the grit number, the finer the abrasive particles.)
